

Hayward Executive Airport Pilot Safety Meeting

FAA Aviation Safety Inspector Sarah Hughes will make a presentation on pilot impairment including advice on how to avoid this hazard to safety. There will be opportunity for questions and discussion by the audience. Designated Pilot Examiner Vince Nastro will assist.

Directions: Take the A Street Exit from Interstate 880 and proceed westbound to Hayward Executive Airport. After crossing Hesperian Blvd. turn left on to Skywest Drive and make the second right turn into the driveway. The administration building is next to the Hayward Air Traffic Control Tower and parking is available in the parking lot. Flyin attendees can request transient parking near the tower (4 spots only are available).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
